2. One member nominated by the Watershed Fire Council of Southern California.
3. One member nominated by the California Association of Resource Conservation Districts.
4. Seven members nominated by organizations representing owners of range and brush lands.

The Board is seeking nominations for one member representing the general public, one member representing the California Association of Resource Conservation Districts, and one member nominated by organizations representing owners of range and brush lands.

Members of the advisory committee shall serve without compensation.

The RMAC functions in an advisory capacity on California rangeland issues that are under consideration by the Board, the Secretary of the Resources Agency, the Secretary for Environmental Protection, and the Secretary of Food and Agriculture.

RMAC members serve a four-year term, and meet approximately every two months, depending on the issues under consideration by the Committee.
